

Dorr/ Leighton Sewer Authority

August 29, 2013

1. The Dorr/Leighton Sewer Authority met at 6:30 p.m. on August 29, 2013 at the Leighton Township Hall for the purpose of interviewing candidates for the assistant treasurer position.
2. Members present: Miling, Senneker, Martin, Deer, Nieuwenhuis, Troost
3. Members absent: Saunders, VanderWoude
4. Interviews were scheduled with Fern O’Beshaw, Sheryl Seif, Meggan Kasproicz and Kathy Tanner
5. Board member Martin had applied for the position and was uncertain as to why he had not been granted an interview. He thought that he had received enough support. However, several members had not reported their choices to Deer and they were not included in the count. He asked if he could be interviewed with the time we had prior to the first interview. The board agreed that he would be interviewed with stipulations. He would be interviewed first, he would not be able to ask questions of the other candidates and he would not be able to vote. Mr. Martin agreed to the terms and interviews began.
6. Interviews were conducted with Jim Martin, Fern O’Beshaw, Sheryl Seif Meggan Kasproicz and Kathy Tanner.
7. Following the interviews, there was discussion and candidates were narrowed down. There was no clear consensus so references will be sought for Jim Martin, Fern O’Beshaw and Kathy Tanner with a follow up meeting to be scheduled in the next week to make the selection.
